

Show Love to Your Family Today!

Do you remember what the greatest gift is?
That's right, it is Jesus!

Let's play together!

Let me help you

You are awesome!

Often the greatest gift that we can give to our family and friends is something simple... like our love, kind words, or even helping them.

Today, show appreciation to your family in an unexpected way:

- 💙 Do a chore for them.
- 💚 Help them without being asked.
- 💛 Play together.
- 💜 Say something kind.
- 💖 Make them something special.

Try to remember to show appreciation every day and make this a Christmas to remember!

Did you like doing something nice for someone else today?

Did someone do something nice for you?

Do you think you could keep doing these nice things for others?
