

# Let's Go See the Christmas Lights!

Sometime in the next week, put the phones away and head out for a drive to look at...  
**CHRISTMAS LIGHTS!**

Pack your own snacks, blankets, and even wear your jammies to make it a night to remember!

As you drive, decide which house you like best!

Think about how Jesus lights up our lives and our world.

Did you enjoy spending time with your family looking at the lights?

Do you and your family usually drive around to see the Christmas lights?

Is this a tradition that you might continue next year?

What other Christmas traditions would you like to do next year?
